STORY RECAP

Sachi goes to an all-girls high school and has been single for seventeen years. She went to a matchmaking party at the recommendation of her best friend, Akemi. There, she met Yuki-chan and fell for him! She found herself falling deeper and deeper for him. But Yuki-chan is Akemi's ex-boyfriend and he still has feelings for her. Even so, Sachi confessed her feelings to him, but Yuki-chan rejected her. Meanwhile, Yuki-chan's best friend, Akahoshi, confessed his feelings to Sachi! Sachi decided to face Akahoshi...

Then, Akemi broke up with Yashei and started dating Yuki-chan once more. Akemi followed Yashei while on a school trip and ended up getting separated from Yuki-chan. When Yuki-chan, who didn't know where Akemi was, searched for her, he ran into Sachi. She was confused, but realized she could laugh naturally in front of Akahoshi...

Hello. I'm the author of this manga.
My name is Shina.
How are you?

This is Volume 4. To those of you who have read Volumes 1-3, as well as those of you starting with Volume 4 who don't know the story... pleased to meet you!

This volume doesn't have an extra short story. It only contains the main story. If you were looking forward to the extra, you might get bored. Sorry. Oh, but some might think the extra is annoying. These readers can just skip the extra pages!

But I guess you do n't need me to tell you all this. Just read however you want.

I guess I should have decided on a topic for this! I'm writing whatever springs up in my mind, so it all comes out pointless!

I've learned this lesson too late in the winter... I don't really learn anything anyway...

After Volume 3 came out, I received a ton of letters trying to cheer up Yushei. Yushei must have been so pleased. Thank you very much!

Readers react very differently with regard to the three boy characters.

People give different feedback about the same story. I read those letters with great interest. Thank you to those of you who sent support letters to the magazine! I was filled with joy as I read them!

I moved recently and my workspace went from 0 jo to 5.4 jo! It got smaller! [One jo is the area of one tatami mat.]

There's no space around my desk at all. Underneath my desk is so cold that I had put down some kind of fleece cloth. But it gets all messed up. That's OK, though, because my manga bookshelf rocks!

The living room got smaller, too! But that's OK, because the TV is closer and there's another great bookshelf!

I liked the old house, but I like the new one, too. I remember in the first apartment I lived in, the bathtub exploded and water leaked from the toilet. It had a long room, and when people came over, only one corner got crowded. At the time, I thought that was the way it was supposed to be, but when I think about it now, it shouldn't have been that way. Bathtubs don't explode! I liked that place just the way it was. I liked the old-man landlord, too. I miss it.

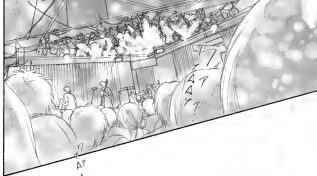

The new house is comfortable. I've even got a bathroom sink!

It
was
good
...

IT WAS
ROTTEN
OF ME...

SHE
WAS...

Sachi
...

...
don't
cry.

Sachi
...

...IN
SUCH A
TERRIBLE
SITU-
ATION.

Will you
take this
to Yukie!...

...and
say
they're
from
you?

Here.

...TO BE
GLAD THAT
SHE WASN'T
THERE...

...WHEN
I CRIED IN
FRONT OF
YUKI-CHAN.

...
that
he's
fine.

I'm just
glad...

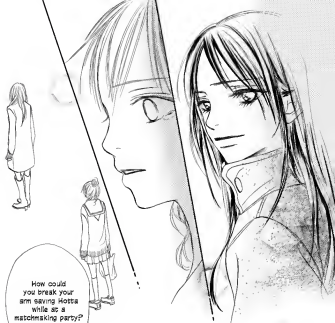

It may not
be such a good
idea for me
to visit him.

...aren't
they from
you to
say thanks
to him?

But...

Huh?

How could
you break your
arm saving Hotta
while at a
matchmaking party?

Are you
stupid?

Have you
forgotten
what she
did to you?

We
just...

...happened
to meet.

Huh?

Isn't that
strange?

Explain
yourself.

...
I couldn't control myself.

I told her not to speak to me.

...I saw her...

When...

But I couldn't help talking to her.

...haven't changed at all.

I realized that my feelings for her...

HARDER?

K

...Hotta
was there.

I know...

SHE SMILED
LIKE YUKI-CHAN
DID WHEN I FIRST
MET HIM.

AKEMI USED
TO BE RELAXED.

SHE WOULD
GET ANGRY...

...OR SMILE
MORE READILY.

She told me
to give you
the book and say
it's from me.

She told
me it
might not
be a good
idea.

Akemi ...

...left
without
seeing
him.

I think
that was a
good thing.

She shouldn't
see him.

Why? She
came...

It hurts
Yuuhel...

...to see the
person who
saved her life.

How did
you guess?

Did I
tell you?

You
were
acting
weird.

Someone who
brought
monkeys as
a thank you
wouldn't pick
up his flowers.

SHE NEVER SMILED
UNEASILY LIKE THAT.

Don't
make me
say it!

I SEE.

WE'RE IN
THE SAME
SITUATION.

Sorry

Why...

...does he
have to
act cold?

...to act
cold
towards her.

Compli-
cated?

can't
tell her
that.

It's com-
pli-
cated.

Because
that girl
can't make
up her mind.

You cried
when you
saw Yuki.

Huh?

How long
has it
been...

...since you
met Yuki
at that
matchmaking
party?

IT HURTS IF
SOMEONE
YOU LIKE IS
NICE TO YOU...

...BUT WON'T
CHOOSE YOU.

It's
only
been...

...five
months.

Yeah.

Five
months.

One
two...

THERE'S
NO WAY WE
CAN NOT
CHANGE!

You
must have
heard...

...our
conversation.

WE HAVE
MORE
YEARS
AHEAD
OF US...

...WILL I KEEP
FEELING THE
SAME WAY FOR
YUKI-CHAN,
EVEN THOUGH
HE WON'T
CHOOSE ME?

BUT IF
I DON'T
CHANGE...

CHANGE?

...THAN
BEHIND US.

Yuuhel-
kun,
too.

Yeah.

The other day, I broke a lamp on my desk before deadline, so I'm writing this in dimlight. I was just trying to change the angle of the light. I never guessed the shade would come off!

It was an old lamp that I don't even remember starting to use. (Maybe it was 10 years ago?)

It's not strange that a lamp would break at some point, but I didn't expect it to break right in my hand! I gotta get a new one. It's very inconvenient. My CD player is also half-broken. After turning it on, it takes a while for it to actually come on. It also shuts off by itself. Something crucial must be broken. If I'd known, I would have fixed the whole thing when I had the CD ejector fixed. I must fix that problem, too... sometime.

Oops! I'm already running out of space! Well then, good-bye for now. See you again sometime!

...talking about the long years ahead.

You were!

Your feelings will change.

Think of all that has happened in just five months.

Nothing is impossible.

I CAN'T
STOP THINKING
ABOUT HIM, BUT
EVEN I CAN
FORGET HIM.

I mean,
it's only
five months
out of my
17-year life.

I don't
need to
think that
far ahead.

I see
...
Just
five
months
...

IF MORE
TIME PASSES...

...WILL
I FORGET
ABOUT HIM?

Who's...

Takamura...

...choose me.

The reason
doesn't
matter,
but just
choose me.

I won't...

...
make you
regret it.

...THEN
WHAT IS...

...THIS
FEELING
FOR?

THIS
FEELING...

...I'VE AWAKENED...

IF THIS TIME
OF OUR
LIVES IS FOR
CHANGING...

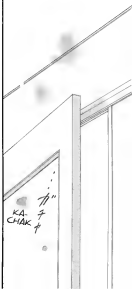

IF WE'RE
GONNA CHANGE...

THIS FEELING
THAT I LIKE
YUKI-CHAN...

WHERE WILL
IT GO?

.....

...when I
caught
a cold...

...why
did you
come?

So,
uh...

So...

...you
broke
your arm,
huh?

...you
were
the
first
one...

...so
visit me.

Before
...

That's
good
enough!

You should
only worry
about Akemi!

CRAZY FOR YOU ④

...THAT
WOULD
BE THE
BEST WAY.

AND IF
I COULD
CHANGE
WITHOUT ANY
EFFORT...

IF I CAN,
I WANT TO
CHANGE.

...BUT
COULD LIKE
AKAHOSHI-
KUN MORE
THAN HIM...

...TO FORGET
YUKI-CHAN...

IF I
DIDN'T
HAVE
TO TRY...

...I'D
BE SO
HAPPY
THAT I
COULD
FAINT.

I'M SURE I
WOULD BE.

I CAN...

...IMAGINE ME WITH
AKAHOSHI-KUN...

...SO EASILY.

Yuki...

BUT I CAN'T
IMAGINE...

...ME WITH
YUKI-CHAN
AT ALL.

We can
have cake...

...and I'll
cook chicken
or something.

...
winter
break
...

Chris-
mas
...

...and
New
Year's
Eve.

Yuki
...

From
now
on...

...
there
are so
many...

...fun
events.

Good morning.

Morning!
It's cold today.

Good morning,
Akemi.

Oh...

...good morning.

Yesterday,
I gave the bag to
Yuuhei.

There are...

...so many.

I CAN'T IMAGINE
THAT...

...AT ALL.

BUT EVEN
NOW...

I CAN'T
IMAGINE IT
AT ALL...

Thanks.

OK.

Sounds
good.

...shall
we stop
downtown
after
school?

Hey...

...I CAN'T HELP
THINKING ABOUT
YUKI-CHAN.

I want to look
for a Christmas
present for my
boyfriend.
It's our first
Christmas
together!

I want to get
something
special
only for
Christmas.

What?
Yuki-
chan's
here?

Huh
?

Yuki-
chan
...

I'll go
with you
another
day.

Oh...
OK.

Just go
home with
Yuki-chan.

Then
don't
worry,
Akemi.

Oh, it's nothing.
See you tomorrow!

No, he doesn't.

Why do you ask?

Akemi...

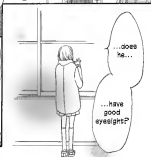

Yeah.
Bye.

Bye, Akemi.

THERE'S NO WAY OUR EYES MET.

HE WAS TOO FAR AWAY.

...does he...

...have good eyesight?

Sachi....

IT'S LIKE
THINKING
YOU MADE EYE
CONTACT WITH
A BAND MEMBER
ON STAGE.

...we're
going now.

Uh...

...OK!

I'M AWARE OF
MY FEELINGS
FOR HIM, BUT
I ALSO KNOW...

I see.
Yuuhel
leaves the
hospital
today.

He's so
unlucky.

Like,
because
he killed
a dog or
something!

He must
be cursed.

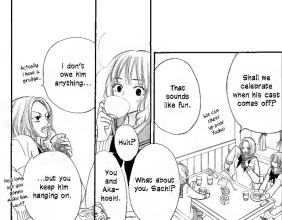

...THAT
YUKI-CHAN...

...IS FAR
AWAY.

How about
checking back?

What
should
I give him?

...it's because I still like Yuki-chan.

Why?!

Don't you like Akahoshi?

No ...

...I didn't mean...

Does he have some kind of weird habit?

Or...

I didn't mean that!

(in correct now)

So you don't like Akahoshi?!

Huh?

So?!

So?!

Huh?

You must know the bad things about him that we don't know.

Well, if you don't like him, then you don't.

I guess Akahoshi is a mean guy.

And he's a cheap-escape!

His eyes look mean.

Huh...?

There's
no one
else...

...like him.

Actually
...
...I don't.

There's
nothing...
...bad
about him.

Those are
enough
reasons to
date him.

Sachi...

...Yuki-chan
is already Aken's.

IT'S
ONLY
BEEN...

If you have
such good
things to say
about Akahoshi
...

...then you'll
like him
once you
start dating.

...FIVE MONTHS.

...ONLY
FIVE MONTHS.

You should
date him!

WE CAN
WAIT...

To Be Continued..
